

# KG Important Dates

**Thursday, August 13, 2020**

Screening - 8:15 am - 3:00 pm

**By scheduled appointment only**

Kindergarten screening appointments were previously scheduled and those remain the same. Screening appointments are on August 13. We ask just one parent come to the screening appointment with their student to maximize social distancing.

**Thursday, August 20 or Friday, August 21, 2020**

Kindergarten Orientation & Parent Meeting

**By scheduled appointment only**

Parent and student orientation for kindergarten will be held August 20 or August 21.

Parents will sign up electronically for a 30-minute appointment.

We strongly recommend no more than two parents and no other family members attend orientation. Information on how to schedule that appointment will be sent via email on August 14.

Students will learn who their kindergarten teacher is at that time.

**Monday, August 24, 2020**

Kindergarten Full First Day

Parents will NOT attend with their child on this day.
