# POLAR BEAR PRIDE

Your Connection to the Jackson Local School District

COMMUNITY • COLLABORATION • PARTNERSHIP

## Updates from the Superintendent

Chris DiLoreto

year's event gave me a certain amount of pride in our Jackson Local community.

It started with parking. North Canton Racquet Club is located in an industrial area on Promway Avenue. On a Sunday afternoon, many of those parking lots in the surrounding businesses are empty. Not during St. Baldrick's. Nearly every parking lot around the club was full of cars, and many of them had kids of all ages from Jackson Local Schools.

Once inside and after the first couple rounds of shaves, it was great to see old friends, familiar faces, and even a couple of new ones. Jackson Local and North Canton City Schools have, for many years, partnered to raise money for St. Baldrick's. I am always appreciative of the collaboration with North Canton Assistant Superintendent Dave Pilati as we helped each other raise money for this worthy cause.

The Canton St. Baldrick's event exceeded its fundraising goal of \$250,000 and has surpassed \$262,000. The two school districts combined to raise \$205,725 of the Canton region's total! I am particularly proud of the generosity of our students, families, staff, and community. Jackson Local raised nearly \$106,000 for this important cause. Our St. Baldrick's chapter was number 3 in the world and next

very parking lot in the industrial area near North Canton Racquet Club was packed on Sunday afternoon, March 12. One thought came to me heading into the annual St. Baldrick's event... **We're back!**

St. Baldrick's held its fundraiser in March to raise money for childhood cancer research. This event has taken on a virtual or remote look for the last two years. In past years, however, North Canton Racquet Club's vast complex was jammed with people. So walking into this

year Jackson Local will surpass \$1 million in donations to St. Baldrick's. Our total is currently \$981,450!

### POLAR BEAR PLUNGE

In February the Jackson Local Schools Foundation held its Polar Bear Plunge at Lake Cable. This event attracted a record number of jumpers this year. The clear blue, sunny skies likely had something to do with that. Rest assured, the water was Polar Bear-like. The Polar Bear Plunge is the Foundation's largest fundraising event of the year. The Foundation accepts applications for school and classroom grants to cover expenses for "Great Ideas" from our staff. In the past, some of the projects funded included virtual reality goggles, elementary art projects, STEAM bins, LEGO kits, an electric car kit, a hatchery kit, and water bottle stations among many others.

We are grateful for our partners at the Foundation, a complete volunteer organization. The next event it will hold is the Polar Bear Chip-In at Glenmoor Country Club. Please visit the Foundation's website at [JacksonLocalSchoolsFoundation.org](http://JacksonLocalSchoolsFoundation.org) for more information.

### WHAT A WINTER!

We are already into the final nine weeks of the school year. We have had many great accomplishments this school year in the classroom, the stage, and athletic arenas. Members of our bands and choirs had outstanding performances at OMEA District 8 Large Group with these ensembles advancing to the state level: Freshman Chorus, Men's Chorus, Women's

Chorus, Chorale, Freshman Band, Gold Band, Purple Band, and Symphony Band.

Our winter sports season was a tremendous success with boys basketball and boys swimming winning league championships. Our boys and girls swimming and diving teams advanced to the state meet with great success and senior gymnast Kiara Hockman finished a tremendous career. She placed in three events at the state meet and was a four-time state qualifier. Our cheerleading team was nationally recognized and placed second in the state competition!

## Jumpers Brave Polar Bear Plunge Waters

The Jackson Local Schools Foundation's annual Polar Bear Plunge event was held in February with a record number of jumpers. Student Council members, led by senior class president Greg Campbell, took the plunge. The event was kicked off by Superintendent Chris DiLoreto's team setting the stage for the event and many of our elementary students participated.

Superintendent Update cont'd

ALL-SPORTS STANDINGS

All of that athletic success means the Polar Bears are in great shape heading into the spring sports season in the All-Federal League Standings. We are in first place with 91.5 points, but our rivals at North Canton are right behind at 78.5 points and Green with 75.5. Let's Go Bears!

COMMENCEMENT

Commencement for the Class of 2023 will be held again at Robert Fife Stadium. This year, graduation will be held on Saturday, May 20 at 5 p.m. We hope this makes planning for out-of-town guests easier for our parents. Also, we are grateful to Progressive Auto Group for its generous sponsorship of our fireworks display at commencement.

Aubrey Mangun, a Sauder Elementary student, was one of the winners of the United Way Centennial Celebration art contest. She is pictured here with teacher Stella Gonzalez-Abreu and her winning artwork.

### Academic Challenge Team

The Jackson High School Academic Challenge team had a terrific season, under the leadership of advisor Stephen Robison. Saturday the team was featured on the television program of WEWS News Channel 5.

The Polar Bears won their televised match and finished fifth overall for the season out of 60 schools from Northeast Ohio. The Polar Bears won \$2,000 for their team.

The team was represented by Evelyn Johnson, Tanishq Pauskar, and Mithil Pauskar; alternates were Ryan Williams, Mary Anne Johnson, Jacob Palumbo. **Congratulations Polar Bears!**

### Math Champions at Amherst

# Jackson Local seeks to serve students with disabilities

Within the intent of the federal statutes (Rehabilitation Act of 1973-section 504 and Individuals with Disabilities Education Act IDEA-public law 105-17), the Jackson Local School District continues its effort to locate and identify children with disabilities from birth through age 21. Children with disabilities have physical, emotional, and or mental impairments that may require special education. Public schools provide free and appropriate education regardless of a child's disability. However, before these children can be served, they must be found. Many of these children are not

visible because they may not function in the community's mainstream, and many are preschoolers. Parents may not realize that programs and services are available through their school district or from agencies in their community.

*If you are aware of a child who may need a special education program or services, contact Kathy Brand, Jackson Local School District's Special Programs Director, with any questions you may have regarding this notice at 330-830-8006*

# ODE Special Services Survey

The Ohio Department of Education (ODE) would like to invite parents of students receiving special services to participate in a short, 25-question survey about your involvement in your student's education.

Research suggests that parental involvement is a key predictor of positive educational outcomes. You may be eligible to participate if your child has an IEP and receives special education services. The purpose of collecting this information is to improve services for students with disabilities across Ohio. If you are eligible to participate and you enroll in the study, you will be entered in a drawing for a \$50 gift card. Your chance of winning a gift card is approximately 2.0%. **Please scan the QR code below to find out more about the survey and if you are eligible.**

## Five questions with JMMS Band Director Mr. David Gleason

The following interview was conducted by Jackson Memorial Middle School students and Cub's Column members Isabella Jones, Audrey Fischer, and Hailey Fischer.

**Audrey: What do you do in your free time?**

Mr. Gleason: What do I do in my free time? Well, when I have free time, (all laugh) first and foremost, I spend it with my wife and my three daughters. That's really important. Family time is important because as band directors, we spend a lot of time teaching and long hours in preparation to make this program continue to run the way it does. Other than that I love to golf. I'm a huge golf nut. Guess that answers that... my family and golf.

**Hailey: What's your favorite instrument?**

Mr. Gleason: My favorite instrument is the trumpet, it's what I started on a few years ago, just a few, I've been playing trumpet for probably over 40 years now. Oh yeah, at least 43 years. It's great, it's my favorite.

**Bella: What's your favorite instrument that's not a trumpet?**

Mr. Gleason: I've said often, if I didn't play the trumpet I probably would have played french horn because I love the color of the instrument, and I love that it's the middle, it's not the high stuff it's not the low stuff but it's kind of like the middle workings within. Kind of like the alto saxophone, just that middle voice inside the ensemble that usually has some pretty nice parts.

**Audrey: Do you enjoy teaching?**

Mr. Gleason: NO! No, I love it!. I love that I get here in the morning and I always seem to have a positive demeanor. I'm always up. I'm always excited to get started and help kids get better at what they do.

**Hailey: What's your favorite movie?**

Mr. Gleason: WOW! I have several favorite movies. I love the *Harry Potter*, *Star Wars* movies, the *Indiana Jones*. *Shawshank Redemption* is also an awesome movie. Most movies with Adam Shandler are on my list as well because I think he's funny and it's mindless humor that I enjoy. Sometimes I need to escape and not focus. Is that a good answer?
