**Fifth Grade**

**May 26th**

We would all like to give a shout out to our fabulous Fifth Grade Graduates! What a year! Thank you for staying the course and finishing strong.

We hope that the memories you have made here at Sauder over the last six years will stay with you for a lifetime. May you look back at your educational start with a smile, remembering the many teachers and staff who cared for you and invested in your future.

We wish you all the best as you continue your journey of education. Always remember your value, and may you reach new heights of greatness as you strive for your dreams.
