

Writer's Wednesday!

Week Three: Rhyming Fun!

Have you ever just had fun with words and the sounds that they make? Start by making a list of words. Then, make up several rhymes for each one. They don't all have to be real words; think of how much fun Dr. Seuss has with words! Once you have your rhymes, create sentences with them, then put them all together for a story.

Ex. Word: Puzzles

Rhymes: muzzles, wuzzles, fruzzles

Sentence: Puzzles with muzzles and wuzzles feel fruzzled!

Want more fun? Use your imagination to draw what you think your new words would look like. For example, what would a "wuzzle" look like?

See example below:
