## MINUTES- JACKSON LOCAL SCHOOL DISTRICT BOARD OF EDUCATION- February 25, 2025

## F. The following communications were presented to the Board:

- Superintendent DiLoreto recognized Bus Driver, Todd Morris, for his selflessness and bravery. His courageous actions in the face of danger reflect the best of our school district, compassion, service and an instinct to help others in need.
- Kacy Carter, JMMS Principal, and Katie Elliott, JMMS Assistant Principal, gave a presentation to the Board on PBIS and Data Team at JMMS.
- Athletic Director, Jeff Kracker, shared the names of four volunteers for the Spring Season,

Dave Freetage - Baseball

Trina Kelley - Boys Tennis

Hallie Henson - Boys Tennis

Ramesh Krishnamurthi - Boys Tennis

## G. The following Board Policy updates were released in January 2025 and are being presented to the Board for a first reading.

03 - Legal Alert - New OTES Legislation - When Is an Option Not Really an Option?

04 - Legal Alert - FLSA Eligibility Twists and Turns in 2024

05 - Legal Alert - Ohio Passes Law which Limits Use of Bathrooms, Other Facilities to Birth Gender

06 - Legal Alert - Mandatory Policy for Release Time for Religious Instruction ("RTRI")

07 - Legal Alert - H.B. 206 - Student Discipline

08 - Legal Alert - School Boards Left Out of Remote Meetings Law

**Bylaw 0131.1 - Technical Corrections (Revised)**

This bylaw has been revised to streamline the process of making technical corrections to policies and bylaws. The bylaw provides options for defining technical corrections and authorizes the Superintendent to make such corrections and provide a summary of the corrections to the Board for review.

**Bylaw 0171 - Review of Policy (Rescind)**

It is suggested that this bylaw be rescinded (deleted) to avoid any conflict or inconsistency with Bylaw 0131.1 -Technical Corrections.

**Policy 1422.01 - Drug-Free Workplace (New)**

This policy has been added to include the same provisions in Policy 3122.01/4122.01 regarding Drug-Free Workplace for administrators that pertain to other district employees.

**Policy 2260.02 - Single Gender Classes and Activities (Revised)**

This optional policy is revised to provide additional guidance for implementation and to include clarification suggested by the Office for Civil Rights ("OCR").

**Policy 2271 - College Credit Plus Program (Revised)**

This policy is revised to include the provisions of S.B. 104 (effective February 25, 2025). The bill revises the operations of the College Credit Plus ("CCP") Program, providing an option for a student or a student's parent to inform the school of the student's intent to participate in CCP in the next semester by November 1 preceding that semester. Such participation may only be approved for the next semester/term. The bill requires each Institution of Higher Education ("IHE") to provide CCP

students with a mandatory orientation that meets guidelines issued by the Chancellor and the Department. Additionally, the district is required to use CCP forms developed by the Chancellor and the Department.

**Policy 2340 - Field and Other District-Sponsored Trips (Revised)**

This policy is revised to include the overnight accommodations restrictions required by S.B. 104 (effective February 25, 2025). S.B. 104 mandates that students of the opposite biological sex may not share overnight accommodations.

**Policy 2430.02 - Participation of Community/STEM School Students in Extra-Curricular Activities (Revised) Policy 2431 - Interscholastic Athletics (Revised)**

Policy 2431 is revised to include the provisions of H.B. 47 regarding the mandatory informational meeting for students and parents and adding sudden cardiac arrest to training and restrictions required. Both policies are revised to include the athletic eligibility provisions of H.B. 147.

**Policy 2431 - Interscholastic Athletics (Revised)**

Policy 2431 is revised to include the provisions of H.B. 47 regarding the mandatory informational meeting for students and parents and adding sudden cardiac arrest to training and restrictions required. Both policies are revised to include the athletic eligibility provisions of H.B. 147.

**Policy 2460 - Special Education (Revised)**

The Ohio Department of Education and Workforce ("DEW") recently released updated Special Education Model Policies and Procedures ("Model Policies") that are consistent with the 2023 Ohio Operating Standards for Ohio Educational Agencies Serving Children with Disabilities ("Operating Standards"). The Operating Standards required educational agencies to adopt written policies and procedures regarding the education of children with disabilities(3301-51-02).

**Policy 2460 (ODE) (Rescind)**

This policy is being rescinded (deleted) as it no longer meets the requirements of law or of the Operating Standards put forth in Ohio Administrative Code ("OAC").

**Policy 5113 - Inter-District Open Enrollment (Revised)**

Revisions to this policy update language to coincide with current Ohio Department of Education and Workforce("DEW") provisions and to include the requirements of S.B. 208 (effective April 9, 2025) to permit a student who is not a native student of the district to open enroll in the district if the student's parent is an active duty member of the armed forces of the United States who is stationed in Ohio and who provides the district a copy of the parent's official written order verifying the parent's status as an active duty member of the armed forces. Additionally, the bill permits a student enrolled under a district's open enrollment policy exception for military children to continue to attend that district and receive transportation services for the remainder of the school year if the student's parent is discharged or released from active duty. The new military exception must be added to policies for districts that either entirely prohibit interdistrict open enrollment or only permit it for adjacent district students. Under current law, each school district in Ohio must establish an interdistrict open enrollment policy that either entirely prohibits open enrollment, with noted exceptions, or permits open enrollment only of students from adjacent districts (with noted exceptions), or permits open enrollment of students from any other district.

**Policy 5120 - Assignment within District (Revised)**

Revisions to this policy update language to coincide with current Ohio Department of Education and Workforce("DEW") provisions.

**Policy 5131 - Transfer Students (Technical Correction)**

This policy correction is provided, as the revision suggested in the Volume 43 Number 1 update in October 2024 was incorrectly applied. The provisions of H.B. 147 apply to athletic eligibility as opposed to academic transfer.

This correction should be adopted to maintain accurate policies.

**Policy 5223 - Released Time for Religious Instruction (New/Revised)**

This policy was originally released in 2014 and revised in 2016 as provided by statute as an option for districts. H.B. 8 (effective April 9, 2025) requires districts to adopt a policy authorizing students to be excused from school to attend a released time course in religious instruction. The bill requires school districts to collaborate with a sponsoring entity of a released time course in religious instruction to identify a time for the course to be offered during the school day. Further, the act permits a school district to require a sponsoring entity's instructors and volunteers undergo criminal records checks in a manner determined by the district.

**Policy 5330 - Use of Medications (Revised)**

This policy has been reviewed and modified to reflect the specific provisions of H.B. 70 (effective March 20, 2025) to allow districts to authorize specific employees to administer over-the-counter ("OTC") drugs to students. Options are provided to allow for structure and parental permission for this authorization. Further, the policy was revised to reflect the provisions of H.B. 206 (effective April 9, 2025) authorizing the storage and use of drugs used to treat seizures.

School drug administration policies do not affect a school district's ability to administer emergency care or treatment under existing law. School drug administration policies also do not restrict the possession or application of nonprescription topical ointments to prevent sunburn.

**Policy 5350 - Student Health, Wellbeing, and Suicide Prevention (Revised)**

This policy is revised to include comprehensive mental health and wellness initiatives that promote the emotional and physical safety of students and staff. It also addresses training requirements for students and staff as prescribed in H.B. 33.

**Policy 5460 - Graduation Requirements (Revised)**

This policy is revised to include additional diploma seals that have been added by the Ohio Department of Education and Workforce ("DEW").

**Policy 5610 - Removal, Suspension, Expulsion, and Permanent Exclusion of Students (Revised)**

This policy has been revised to reflect the provisions of H.B. 206 (effective April 9, 2025) which permit a school district to establish a policy that authorizes the Superintendent to expel a student for not more than 180 schooldays for actions that pose "imminent and severe endangerment" to the health and safety of other students or school employees. The Superintendent must develop conditions for a student expelled for imminent and severe endangerment to satisfy before that student may be reinstated, one of which must be an assessment by a psychiatrist, licensed psychologist, or licensed school psychologist to determine whether the student poses a danger. The Board of Education is required to establish guidelines for appropriate conditions that the Superintendent may use. All determinations by the Superintendent are subject to the same notification requirements and appeals process as other types of expulsions under current law.

**Policy 5751 - Parental Status of Students (Revised)**

This policy is revised to reflect the latest legislation and regulatory provisions put forth by Federal law to provide appropriate accommodations and protect pregnancy and parental rights of students.

**Policy 5780.01 - Parents' Bill of Rights (New)**

This policy reflects the provisions of H.B. 8 (effective April 9, 2025), which requires public schools to adopt a policy (by July 1, 2025) that enacts the Parents' Bill of Rights to include parental notification on student health and well-being and instructional materials with sexuality content. The district must establish a process under which the school must resolve written concerns submitted by parents about topics addressed in the bill.

**Policy 6151 - Insufficient Funds Checks (Revised)**

This policy has been revised and a corresponding AG added at the request of clients.

**Policy 7421 - Restrooms, Locker Rooms, Shower Rooms, and Changing Rooms (New)**

This new policy (effective February 25, 2025) reflects the provisions of S.B. 104, which require public schools and educational service centers ("ESCs") to designate specified facilities for the exclusive use by either the male biological sex or the female biological sex. The District shall prohibit use by any student, employee, or any other person of a facility designated for use by the opposite biological sex unless one of the statutory exceptions applies.

**Policy 7440.01 Video Surveillance and Electronic Monitoring (Revised)**

This policy is revised to add an option authorizing the use of Smart Sensor Monitoring Technology.

**Policy 8142 - Criminal History Record Check for Contracted School Services (Revised)**

This policy was revised to include the requirements of H.B. 33 for individuals providing contracted school services to enroll in Rapback if they have routine interaction with a student or regular responsibility for the care, custody, and control of a student.

**Policy 8452 - Automated External Defibrillators ("AED") and Cardiopulmonary Resuscitation (Revised)**

This policy has been revised to reflect the requirements of H.B. 47, effective October 24, 2024. The act requires all school districts to place an AED in each school and sports/recreation area under its control. The act requires each school district and school to provide training in the use of AEDs to teachers, principals, administrative employees, coaches, athletic trainers, other personnel who supervise interscholastic athletics, and any other employee subject to in-service training requirements. Each district and school must adopt an emergency action plan for the use of AEDs. Additionally, the district must hold informational meetings regarding the symptoms and warning signs of sudden cardiac arrest for all ages of student or youth athletes before the start of each athletic season.

**Policy 8500 - Food Services (Revised)**

This policy has been revised to include the option from H.B. 8 to provide a school lunch for students participating in Released Time for Religious Instruction ("RTRI") during the lunch period. Additional language and option regarding "bad debt" and dietary modifications have been included at the request of clients due to audits.
