

Google Slides Project

* Choose one biography from Turtle Diary and read it for this project.

* Please take notes on the following information:

Be careful not to lose your notes. If I were you, I would always keep them in your technology folder.

DAY ONE: Locate and write the following information. Then follow directions as we enter it onto your slideshow.

1. Name of person _____

2. Are they a famous:

Artist, Explorer, World Leader, Scientist,
Writer

3. When and where were they born?

4. When did they die?

5. What were/are their occupations?

Day 2: Locate and write the following information. Then follow directions as we enter it onto your slideshow.

1. Introduction: List at least 3 facts from the Introduction Section of your book.

Day 3: Locate and write the following information. Then you will enter it onto your slideshow.

1. This is where each of our books will look a little different. Please keep the title of each section and use it in your slideshow. You will need to gather at least 3 facts from each section for the rest of your book.

***If I were you, I would only take notes on one section at a time and create that slide. Then I would do the same for the next section.**

(Next week we will work on adding in pictures :-))
